A Future of Hope

A note from the Executive Director

What a year it has been! One year has passed since the passing of *Dobbs v Jackson* ruling- a landmark decision that overturned *Roe v Wade* and changed the pro-life landscape in America. Since then, abortion has been illegal in Wisconsin, and we know **lives have been saved!**

We have felt the transition here at our Centers and are working harder than ever to stay abreast of the ever- changing landscape. As we rejoice in the announcements, our clients remain in states of emotional turmoil. Possibly, more than ever. There are campaigns set up to help them pay for abortions in other, welcoming states, and ads for mail-in abortion pills, claiming to be a safe, private option for dealing with an unwanted pregnancy.

Those clients don't feel the joy that we feel. There is still *panic and hopelessness* as they begin to think about what this means for their future.

And that is where we come in. We stand in the gap- and we now more than ever- have an opportunity to share A **FUTURE OF HOPE** available to them. No woman needs to stand alone when faced with a tough decision

concerning their own future, nor their unborn babies future.

Reports show that approximately 60,000 fewer abortions have been performed in the last 12 months.

But our work will keep going, as we reach those that need to know the love of Jesus and the everlasting **HOPE** only He can bring.

Thank you for your continued support. I invite you to join us at our **Banquet of Life** on **October 5th at SentryWorld**. We have so much to celebrate and to share with you about our life saving efforts and victories!

In Him-
Cindy Brengosz

New Beginnings

An update on our third center - Marshfield

Last Fall at the **Banquet of Life** we unveiled our incredible future plans for a third center. Through much prayer, community support, and a large, anonymous donation, Marshfield will have an operational center to provide hope and support for life!

Because of the unique nature of pregnancy help ministries, the first step toward opening a center began with finding the right *Center Director*. **With great excitement, we're happy to share we've done just that!** Jamie Titus has already started training and learning the ins and outs of pregnancy help work. We're pleased to have her as part of our team! **Here's a little of her story:**

My name is Jamie, and I am so excited to come on board as the Marshfield Center Director! My background is in business management, marketing and communication. I am mom to a beautiful seven year old daughter, and married to a wonderful man named Ethan.

My first experience with First Choice PRC was as a client, seven years ago! The love and compassion they and other pregnancy resource centers showed me saved my daughter's life from abortion and changed my life for the better!

As a previously pregnant, homeless and in-crisis, abortion minded teen, I want to say, "THANK YOU!" to the donors, staff, and advocates. Your work is why I stand before you today as a healthy, happy, Jesus loving woman, with a desire to serve others! Now, I get to give back and server others with the desire to showcase the love of Christ, born and unborn.

Sincerely, Jamie Titus, Center Director- Marshfield

"For I know the plans I have for you" declares the Lord. "plans to prosper you and not harm you." -Jer 29:11

Hope by the Numbers!

Between two centers, 89 clients have been served this year!

Of those clients, they've visited First Choice 629 times... And participated in 531 classes!

A 10% increase from 2022

An 11% increase from 2022

Currently there are 24 women participating in *Giving God Your Worst* and *Breaking the Shackles* hosted by four *Heart Helper* certified leaders. For more information or to find out how to participate, please read our blog at www.firstchoiceprc.org/blog
