FIRST CHOICE PRC ANNUAL FUNDRAISER

The year 2023 was another huge year of impact and serving for First Choice PRC. **We provided more clients with greater amounts of education, supplies, and hope than in any other year of First Choice PRC history.** We expect nothing less from 2024, but doing so comes at a cost.

The average client who receives appointments from the initial pregnancy test through six months postpartum, costs the center **\$7,000**. With over 150 clients being served each year, you can quickly see how fast center expenses can add up.

Thank you for your ongoing support of this mission and ministry! **First Choice PRC can only serve because of your dedication and generosity!**

**THANK YOU FOR HELPING US
MEET OUR \$34,000 GOAL!**
