

# BANQUET OF LIFE : EVENT GUIDE

## WHERE IS THE EVENT?

Look no further than *SentryWorld* in **Stevens Point!** Just off of I-39 at the North end of Stevens Point, you'll meander your way between the greater Schmeekle grounds and into the sprawling SentryWorld Golf Course located at **601 Michigan Avenue N.** When you walk into SentryWorld, you'll walk up a beautifully decorated set of stairs. To the left of the main doors, you'll see friendly faces ready to check you in at the *Atrium* doors.

### CHECK IN

Just outside the *Atrium* doors, you'll be directed to check-in with one of the staff. **Don't miss this important step!** This is where you'll learn your table number and general location of your seat. *If any changes need to be made to your table, this is the place to get it done!*

### HAVE YOU PAID YET?

If you're an already registered table host or guest who hasn't paid for your tickets or table, there's a good chance your name is on a list. Let's get it crossed off! **Check-in is a great opportunity to make those last minute payments for already registered guests.**

## WHAT TO WEAR

If this is your first Banquet of Life, you'll notice upon arrival this is one of those special nights to dress up. *Business casual is the typical*, though we see all types of suits, dresses, and special get ups. There's no official dress code, but it is a great reason to throw on some heels, grab that suit jacket that's been tucked away, and get a little glamerous.

## WHO WE ARE

If this is your first time attending a *First Choice Pregnancy Resource Center* event, we are so glad you're here! Our ministry has been serving Central Wisconsin since 2007. We opened our first center in Stevens Point, followed by another in Wisconsin Rapids, and this year, our third in Marshfield. We've served countless individuals and couples, with hundreds of babies being born to our clients. We've gifted tens of thousands of diapers to community members, taught thousands of classes to help ready families to give birth and parent, and walked untold numbers of individuals through making some of the most challenging decisions of their lives. Our mission is to reveal the love of Jesus by providing pregnancy and parenting support, empowering women and men to make healthy and educated decisions for their future. We do this in part by providing a safe place with proper tools for people to make hard decisions, but also by walking the journey with them, providing resources and compassionate support every step of the way. All of our services are provided at no cost to our clients, including pregnancy tests and ultrasounds. We are financially supported by generous businesses, churches, and individuals like yourself.

If you'd like to learn more, go to **[www.firstchoicepre.org](http://www.firstchoicepre.org)** or schedule a tour of one of our incredible centers during business hours. We would love to meet you!
